POSH MOM

NICOLE STEWART

Grab the credit card, cash, lip gloss, diaper, wipes, and throw it all into The Perfect Little Clutch Purse by Posh Mom. The clutch features a zippered change pocket, top zipper, button closure, and detachable wristlet. Just because you are a mom doesn't mean you can't feel glamorous and posh. Even Posh Spice would surely love this little clutch. The clutch is pictured in Plaid for **\$59.99** at www.poshmom.ca.
